

YOUR CRACKERS

Fun Cracker Fillings

Choose from our range of fun cracker fillings or let us offer you a selection

All of these are just 50p each

Mouth Off Eraser

Comical lips in assorted colours and charismatic poses that can be fixed onto the end of an ordinary pencil.

Animal Memo Pad

Six assorted animal designs, each page printed with the same picture as the cover.

Jump Up Smiley

Push down until the sucker sticks, then wait until the toy springs into the air.

Bouncing Putty

Even completely irregular shapes will bounce about erratically if thrown. Excellent stuff!

Flying saucers

A packet of two balloons which screech noisily as they spin.

Magic Scribbler

Use the 'pencil' to draw on the slate, and then pull up the plastic sheet to erase and start all over again.

Boinks

Springy colourful plastic mesh tubes that can be propelled into the air, and also work as finger traps - harmless but fun.

Rocket Balloons

Bag of two balloons to be inflated with the tube provided and then released to soar noisily. Large and superior.

Magnetic Frogs or Ladybirds

Each turns when approached by its partner.

Mini Modelling Clay

A pack of soft reusable modelling clay in a whole spectrum of colours. Contains six sticks.

All of these are just 75p each

Mini Sticky Splatter

Miniature jelly toys, which are coveted by children, to throw at a window and then dribble gruesomely down the glass.

Seed Sticks

Strips of rigid card impregnated with seed, many assorted packets usually including herbs and wild flowers.

Rude Whistle

Does exactly what it says on the box.

Wooden Whistle

Friendly-looking wooden whistles with painted detail and finger-loop.

Swirl Water Snake

Water-filled rubber tubes which are difficult to catch or hold, and spring unexpectedly out of your grip.

Moody Face Keyring

Rubbery flour-filled face keyrings which can be squeezed to make different shapes and expressions

Twist and Lock Blocks

Coloured wooden blocks strung together with elastic allowing them to be angled to make shapes and figures

Mini Paint Set

A miniature palette containing 8 different colour paint blocks and a tiny brush

Jointed Snake

Hold the snake by the tail, and the jointed sections make the head and body sway realistically.

Pop Crayons

A pocket-sized 'pen' containing six crayon colours, for sketching and scribbling
